

Wishon Village, a destination RV and Campground Resort, is located 80 miles east of Fresno at 6,750' elevation in the heart of the Sierra Nevada. The lake, from which Wishon Village takes its name, is 3.5 miles long with 128,606 acre feet capacity. The 15 mph speed limit on the lake preserves a peaceful solitude and provides for an enjoyable fishing or boating experience. The country store at Wishon Village carries fishing, camping, backpacking and hardware supplies as well as canned goods, cold drinks, fresh meat, produce and dairy products, propane, notions, ice, convenience micro-wave foods, greeting cards, books, bandannas, hats, T-shirts, sweatshirts and
